K-12 Security Directors Share 6 Tips to Improve Campus Safety

Every campus is different. There is no one-size-fits-all approach to safety and security. That's why campus protection professionals significantly benefit from hearing what their constituents at comparable campuses are doing to keep people and property safe. "Stealing" ideas for your safety and security toolbox is more than encouraged in the campus safety and security community.

Online Summit | Campus Safety

Campus Safety Online Summit (CSOS) 2-day virtual event.

CSOS brings key stakeholders together to discuss the latest challenges impacting schools and campuses.

Topics include active shooter response, threat assessments, reunification, crisis communication, leading in times of change, safety & security technology and more. The speakers are key stakeholders in the space that are passionate about sharing their insight and knowledge to help you keep your students, faculty and staff safe. Join us November 30 – December 1st for this premiere virtual event!
